

Fertility and Family Building

Provided by: S&P Global

Your Progyny benefit has been specifically designed to give you the best chance of fulfilling your dreams of family. Whether you just want to learn more about your options, are trying to conceive, or are exploring fertility treatment, we are here for you.

Access **comprehensive coverage** through the **Progyny Smart Cycle**, which covers all the individual services, tests, and treatments you may need. Connect with **top fertility specialists** across Canada and lean on your Patient Care Advocate with unlimited **concierge support**.

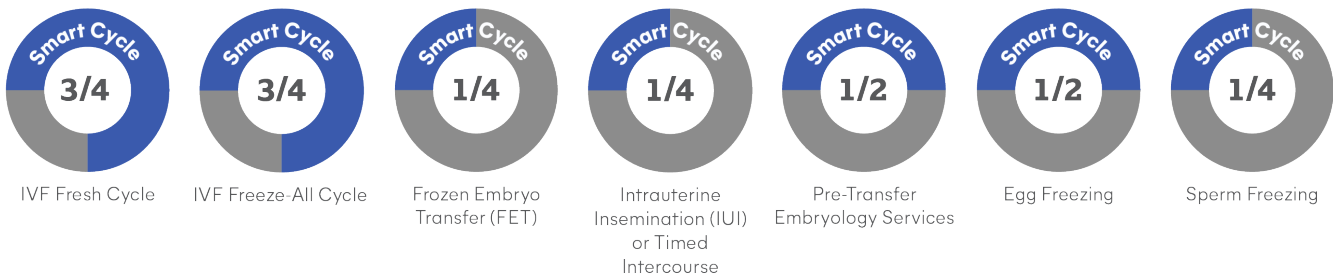

Your Progyny coverage includes:

- **Unlimited** Smart Cycles per family per lifetime for fertility treatment coverage
- **Progyny Rx** fertility medication coverage†
- **Fertility preservation** coverage for egg and sperm freezing
- **Donor tissue** coverage for egg and sperm tissue purchase

Note: The person(s) receiving fertility treatment must be enrolled in an eligible medical plan through S&P Global to have access to the Progyny benefit. You are subject to financial responsibility according to your plan. Please consult with your human resources department to confirm your eligibility. If you choose an out-of-network provider, you must apply for reimbursement and Progyny will deduct one-fourth (1/4) of a Smart Cycle for every \$5,000 CAD reimbursed up to a maximum of \$20,000 CAD.

†Progyny does not offer Integrated Pharmacy Management Services (Progyny Rx) in the province of Quebec as Quebec offers comprehensive coverage of fertility medications through the provincial plan.

Common ways to use a Smart Cycle:
