

How to log in to and navigate the Sanlam Portfolio App to access your Retirement product

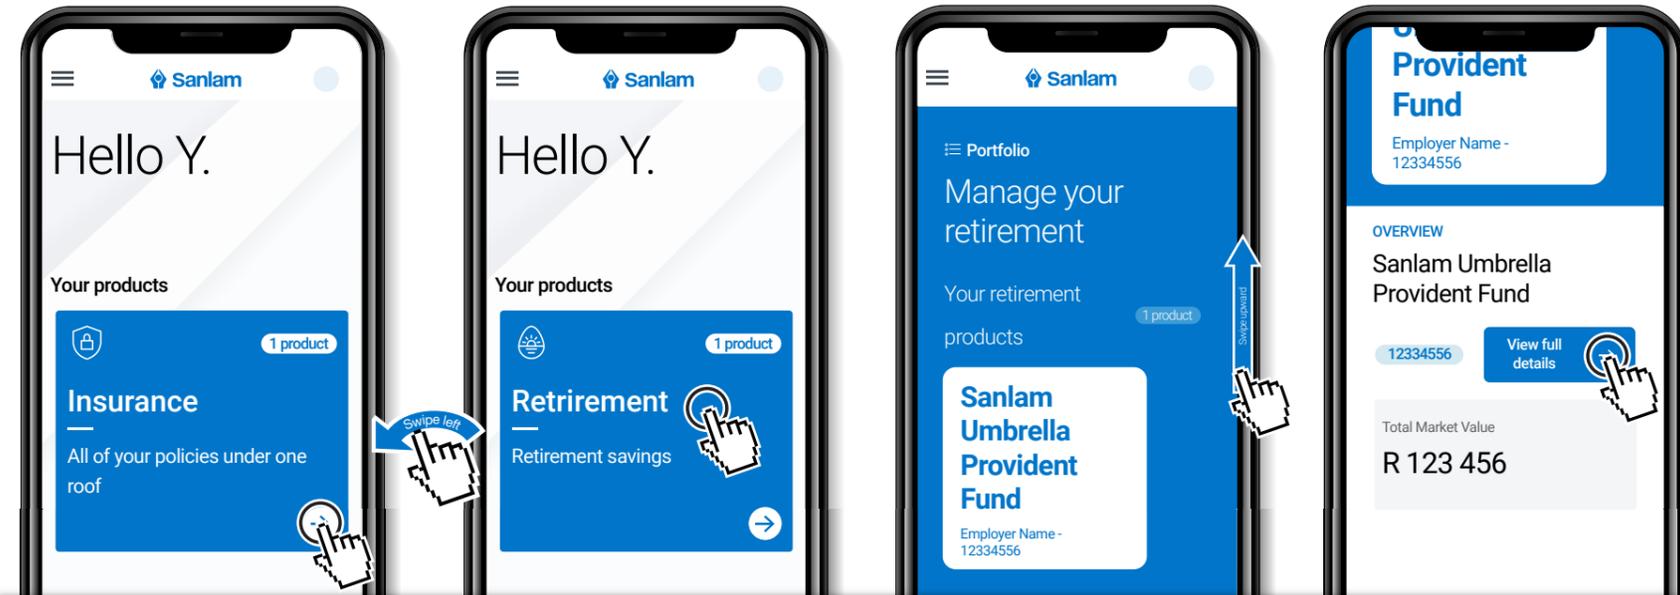

1 Logging into the app

Insert your email or username and password.
NB: The **Log in** button will only become active once all the fields are filled in.

You will be prompted to provide a **One-time PIN (OTP)** which you will receive via SMS.

2 Navigating to and selecting your Retirement product and accessing the Menu Options

Navigate to your **Retirement** product by **swiping left** or tapping the **right-arrow**.

To access your **Retirement** product simply **tap** anywhere on the **blue area**.

You have now accessed your **Retirement** product. Scroll down by **swiping upward**.

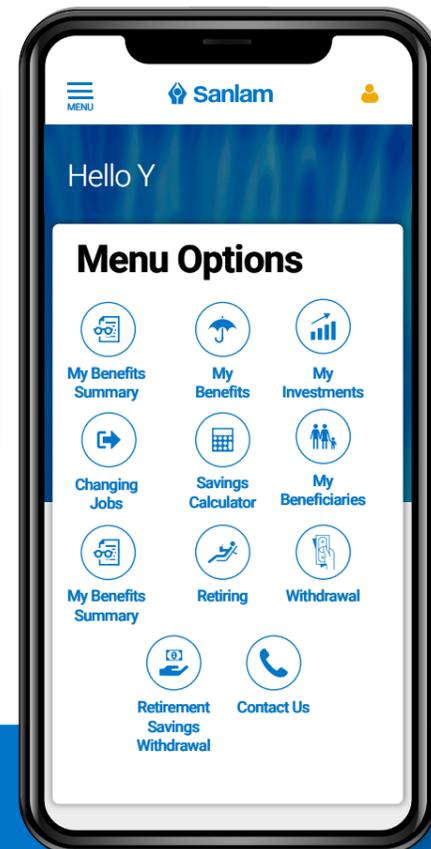

Once you can see the **View full details** button, then **tap** it to open the **Menu Options**.

Congratulations!

You have now accessed the **Menu Options**.

Here you can access all of the benefits, calculators and other features available to you through the fund.

You can now explore how to achieve financial freedom in retirement.

REMEMBER:

As a member of the Fund, you have access to a dedicated team of retirement benefit counsellors, who are available to help you navigate your retirement benefits or refer you to a financial advisor.
