

# The Education You Need: From Family Building to Menopause

**S&P Global**  
has partnered with  
FertilityIQ to provide you  
with the most unbiased,  
high-quality fertility,  
family-building, and  
reproductive health  
education available.

## Expert-led Education

100+ courses built with experts from top institutions like Harvard, Oxford, Yale, and McGill—breaking down critical issues and decisions without bias

## All Forms of Family Building

The latest information and data on topics like unassisted conception, fertility treatment, foster, adoption, egg freezing, and surrogacy

## Menopause

10 courses on every critical subject from hot flashes to hormone therapy taught by preeminent global menopause experts across a variety of disciplines

## Diverse & Inclusive Perspectives

Family building paths for gay, lesbian, transgender, and unpartnered individuals and dedicated courses for hopeful parents who are of Black, Latinx, South Asian, and East Asian heritage

## Verified Reviews

Searchable access to 55,000+ patient written reviews on every fertility doctor and clinic in the United States

## Saves Time, Money, and Stress

We help you make smarter, data-driven choices with otherwise impossible-to-access expert help. Available for you—anytime, anywhere

We're here to help.
